

Subject: Recommendation letter for a student

Dear Sir, dear Madam,

ESPRIT is a University for Engineering in Information and Communication Technologies.

I have known Youssef Chahab for a whole year, having served as his English teacher in ESPRIT school of engineering, and I confirm that he has C1 level in the English language. I believe that he would be an excellent addition to your institution. he is a bright and attentive student. In class, he demonstrates that he is an intelligent and capable student with great potential. he has always been among the top students in my class. I am confident that he will thrive in any academic program that he chooses to pursue.

Youssef is an outstanding student in all aspects. He is full of energy, hard worker, team player and able to excel under highly stressing situations. He has, greatly, enriched our University by engaging in extracurricular activities.

According to the feedback of many teachers, I can confirm that Youssef would make more than a valuable contribution to your university, both inside and outside of class. He has my highest recommendation.

Sincerely,

Asma ZEYDI
